TECHNOLOGY SECTION

An international and strong growing area dedicated to the most innovative technologies applied to jewellery and precious metal processing.

More than 60 companies: a top selection of about 30 Italian companies present the most innovative processing technologies for the gold and Jewelry industry.

Other 30 exhibitors from Turkey, India, Europe, Israel, Thailand showing the most innovative machineries and technologies for the goldsmith sector.

WHY EXHIBIT

REINVIGORATE YOUR BUSINESS

JGT Dubai's buyer base consists of trade professionals from thriving economies in the Middle East, India, Russia, Southern Europe, North Africa and beyond. These high-growth markets of 4 billion consumers are all within seven hours of flying time from Dubai.

BENEFIT FROM THE ORGANISERS' GLOBAL AND DEEP LOCAL KNOWLEDGE

JGT Dubai will be powered by the same team behind the world's biggest fine jewellery show, Jewellery & Gem WORLD Hong Kong, and the group behind Europe's top jewellery show, Vicenzaoro.

ENJOY A WORLD-CLASS SHOW EXPERIENCE IN DUBAI

Recognised as the business and tourism hub of the Middle East, Dubai offers the perfect mix of a dynamic and vibrant city with traditional aspects of the local culture.

MEET AND ENGAGE WITH DECISION-MAKERS

Connect with people who matter to you at the JGT Dubai - the premier event that brings together key players in the Jewellery and technology sector.

EXPLORE THE LATEST TECHNOLOGIES

Discover the most important Italian and foreign technology companies and see the most innovative machine and services.
